

§ 532.307

5 CFR Ch. I (1–12 Edition)

principal types of appropriated or non-appropriated fund positions in the specialized industry comprise:

- (i) For appropriated fund activities,
 - (A) At least 25 percent of the total wage employment or
 - (B) 1,000 or more employees in a wage area having more than 4,000 wage employees; and
- (ii) For nonappropriated fund activities
 - (A) At least 25 percent of the total wage employment or
 - (B) 100 or more wage employees in a wage area having 400 or more wage employees.
- (2) If two or more specialized industries in a wage area qualify as dominant industries, the two specialized industries having the largest number of wage employees shall be the dominant industries for purposes of applying the requirements of this subpart.

§ 532.307 Determining whether a dominant industry exists in a wage area.

(a) The chairperson of the local wage survey committee shall, before a full-scale wage survey is scheduled to begin, notify all appropriated or non-appropriated fund activities having employees subject to the wage schedules for which the survey is conducted so that organizations and individuals may submit written recommendations and supporting evidence to the local wage survey committee concerning principal types of appropriated or non-appropriated fund positions in the area. Each appropriated or nonappropriated fund activity shall publicize the opportunity to make such recommendations.

(b)(1) Before conducting a full-scale wage survey an occupational inventory of employees subject to the wage schedules for which the survey is conducted shall be obtained from each appropriated or nonappropriated fund activity in the area having such employees.

(2) After reviewing the occupational inventory and considering the recommendations received pursuant to paragraph (a) of this section, the local wage survey committee shall formulate its recommendations and prepare a written report concerning the exist-

ence of specialized industries within the wage area.

(3) The report of the recommendations, the occupational inventory, and the recommendations and supporting evidence received pursuant to paragraph (a) of this section shall be forwarded to the lead agency.

(c) The lead agency shall refer the occupational inventory and the reports received pursuant to paragraph (b) of this section to the agency wage committee for its consideration and recommendation if:

(1) The lead agency proposes not to accept the recommendation of the local wage survey committee concerning the specifications of the local wage survey; or

(2) The local wage survey committee's report is accompanied by a minority report.

(d) The lead agency shall determine, in writing, after taking into consideration the reports and recommendations received under paragraphs (b) and (c) of this section, and prior to ordering a full-scale wage survey to begin, whether the principal types of appropriated or nonappropriated fund positions in a local wage area comprise a dominant industry. The determination shall remain in effect until the next full-scale wage survey in the area.

§ 532.309 Determining adequacy of specialized private industry.

(a) Specialized private industry comparable to an appropriated fund dominant industry is adequate when:

(1) The survey area is one of the 25 largest Standard Metropolitan Statistical Areas, or the total number of employees of private industry establishments in the specialized private industry located in the survey area is at least equal to the total number of appropriated fund wage employees in occupations which comprise the principal types of appropriated positions in the dominant industry who are subject to the wage schedules for which the survey is made; or

(2) For any dominant industry except "ammunition," the job matches obtained from the specialized private industry include one regular survey job
